EASTER 2009

We praise the Lord for the opportunity we had this past month to celebrate with the community of Pakham Mai in the dedication of their new church on Easter Sunday. The celebration was attended by members of the community, as well as staff from LCMS-WM, CWFEFT and HIM who all partnered together to make this place a reality. What a joy it was to rejoice together and worship the Lord in three languages in celebration of our Risen Lord and the building, newly dedicated to the work of His kingdom. We pray that the ministry there would continue to grow and be nourished so that the whole community could share in this joy of the Resurrection!

The vision the leaders have for the church is that it will be used as a house of worship as well as a meeting place for the community to train its leaders, host outreach events, provide Christian education for you and adults and meet the physical as well as spiritual needs of the community.

It is so exciting to see the work of the Lord growing in this community. Please continue to pray for the needs of the community, and the work of the church leaders there; that with the proper support and instruction they may continue to sow the seed of the Gospel into the hearts of every member.
