Believe.
HOPE.
Encourage.
PERSEVERE.

What if we took our lengthy lists of changes we want to make in the new year and narrowed them down — way down? Rather than making a half dozen or more commitments that we're unlikely to keep, how about zeroing in on a single word that captures the essence of what we want to achieve or become?

North Carolina pastor Mike Ashcraft encouraged church members to each find one word that points to or describes a characteristic or vision they wanted to achieve in the year ahead. The experiment turned into a movement, with ideas and testimonials available at myoneword.org.

What would your one-word resolution be?
